### Confirm your own address in 2 minutes

1. Go to [mvic.sos.state.mi.us](https://mvic.sos.state.mi.us) and enter your name, birth month/year, and ZIP code.
2. Your voter record lists your school district, jurisdiction, and precinct.
3. View your sample ballot — if the Pontiac school board race is on it, you can vote in it.

Boundary source: U.S. Census Bureau TIGERweb, Pontiac City School District (GEOID 2628740), and Oakland County city/township boundaries. Boundaries can split individual streets and subdivisions, so this map is a guide, not a legal boundary determination. Your official voter record and sample ballot are the final word. Questions? Call your city or township clerk, or Oakland County Elections.
